Hooghly Engineering and Technology College

Bachelor's Degree in Computer Science and Engineering 2022 – 2026

Chandannagar Banga Vidyalaya

Higher Secondary Education (2022) |
Percentage: 79%

Course study included Computer, Mathematics, Physics and Chemistry.

Digra Mallickhati Deshbandhu Vidyapith

Secondary Education (2020) |
Percentage: 81%

SKILLS

- Proficient in **Python, C++, Javascript, C.**
- Experienced in Backend Development
- Proficient in Front-End Development
- Strong command in popular frameworks such as **Bootstrap, Django, Tailwind CSS, React, Node js.**
- Familiar with **servers, APIs (Rest API, OpenAI) and Databases (SQL Based).**
- Familiar with Git and GitHub
- Familiar with **Block chain, Ethereum, Web3.js.**
- Specialization in Content Creation.
- Strong **Communication** and **Leadership**
- Strong ability to solve Problems
-

ACHIEVEMENTS

- Javascript Course Completion Certificate
Issued by Knowledge Gate
- HTML,CSS Course Completion
Certificate Issued by Knowledge Gate

PROFESSIONAL EXPERIENCE

WEB DEVELOPMENT INTERSHIP

Bharat Intern | Aug 2023 - Sept 2023

- Portfolio Website
- Temperature Converter
- https://github.com/Sayangenri/Bharat_Intern

WEB-3 Hackathon

ETHIndia | Dec 2023

- World's largest Ethereum Hackathon, a movement with the goal of inspiring and fostering a community of builders promoting technological advancements for Ethereum.

OPEN SOURCE CONTRIBUTOR

Hacktober | October 2023 - Present

- Contributed actively to multiple projects during this program. Leveraged my frontend development and python expertise to enhance project outcomes.
- Collaborated effectively with project administrators and fellow contributors.

CONSULTANT VIRTUAL INTERN

Accenture | Feb 2023 - Mar 2023

Gained insights into the Associate Consultant through a virtual internship.
